Old Town Local Review Board

City of Temecula

---

## **Biography:**

Ross Jackson moved from Tacoma, Washington to continue his construction career with Perini Building company working on the Morongo Hotel and Casino project. At that time, he made Temecula his new home and has been a resident since 2003.

Since 2010, Ross has owned Jackson Construction Management Services (JCMS.) For the last ten years, JCMS has been associated with Truax Development and assisted the company on many projects using his extensive knowledge of construction. Ross' extensive construction knowledge includes, but is not limited to: all phases of building construction, site acquisition, project due diligence, the city pre application process, planning review approval, final construction documents, and total project construction. His teamwork and ability to solve problems using his in-field construction experience provides leadership throughout the construction process. In 40 plus years in the industry Ross has experience with: railroad design/inspections; state and city municipalities; bridge design and inspection above ground and underwater; environmental hazmat inspections; federal government highway; US Navy waterfront pier inspections; hospitality construction; construction management; retail projects; and restaurant projects.
