

# Kathy Sizemore

Community Services Commission

City of Temecula

---

## Biography:

Kathy Sizemore is a wife, mother, entrepreneur, youth advocate, and an award-winning Toastmasters public speaker. Kathy and her husband Chris own and operate A-Bell Alarms Company, a local family-owned security business. Kathy is a lifelong Southern California girl, who met a local boy, fell in love, and relocated from Orange County to his hometown of Temecula in 1997.

Kathy counts being able to raise her three children in Temecula as one of her life's greatest blessings. She describes some of her best days as the days spent with her kids having fun playing at a park in Temecula. Some of her favorite family memories are centered around Temecula community events. She treasures memories of walking down Old Town Front Street adorned with Christmas lights in Santa's Electric light parade and cheering with excitement for her children when they captured a plastic egg at the Temeku Hills Park Spring Egg hunt.

Kathy is passionate about giving back to her community and serving local youth. She has spent the past decade working with the Boy Scouts of America through carrying many leadership roles. Kathy manages adult leaders and scouting events. Kathy was also a founding leader of Cub Scout Pack 384, chartered by Rancho Community Church. She has served as a scout camp director, and currently serves adult leaders in the Southwest Riverside County scouting community as the Vice-Chair of the Tahquitz Scouting District Committee. Her most rewarding volunteer scouting role continues to be that of an Assistant Scoutmaster with Boy Scout Troop 148, where she enjoys sharing her love for our community with Temecula scouts by teaching the Citizenship in the Community Merit Badge.

## **Biography (Continued):**

Kathy is a strong advocate of providing opportunities and encouragement for youth to pursue education in STEM fields. Kathy is a supporter and a previous volunteer with FIRST Robotics. For multiple years she served as a local First Lego League robotics team coach and mentor. She helped create opportunities for youth robotics teams to compete when she organized and served as a tournament director and Regional Judge Advisor for First Robotics Competitions.

Apart from her local youth involvement, Kathy is an active member of the Temecula Valley Chamber of Commerce, where she enjoys supporting and interacting with our local business community as a chamber ambassador.

Having now lived in Temecula for most of her life, Kathy considers Temecula to be her hometown. She has a deep appreciation for the old traditions of our community and enjoys serving as a commissioner on the Community Services Commission, where she can play an active part in helping to preserve the traditions her family has enjoyed for future generations of residents. Kathy is also looking to engage in the "new opportunities" which present themselves with our growing community and more diversified population of young adults, empty nesters, and senior citizens, all of whom Kathy looks to support with new opportunities in the city's community services offerings.
