

**CANDIDATE STATEMENTS
(In Alphabetical Order by District)**

DISTRICT 1

Curtis Brown – Executive / Fire Chief

As a long-time Temecula resident, husband, and father, I seek to serve you on the City Council.

I offer my leadership, experience and commitment to continue the great work of previous council members. The City's government should be transparent and represent the people. I'm a 26-year veteran of the fire service and previously served as the Fire Chief for the City of Temecula. My top priorities were to plan and implement programs for the Riverside County Fire Department and the City of Temecula in order to carry out better policies and goals.

Instead of pushing our own agendas, we need leaders who understand and are willing to reach out and form partnerships with residents, businesses and our faith community. My experience has given me exceptional leadership skills to ensure open and respectful communication, so that everyone impacted by important decisions can have a place at the table.

I am endorsed by both Police and Fire. I will ensure that Public Safety, Quality of Life, and traffic concerns are prioritized. I would be honored to have your support and your vote on November 8, 2022. My door is always open - mrcurtisbrown@msn.com.

Jeff Chrapczynski – Business Sales Manager

My name is Jeff Chrapczynski and Temecula is the best city I've ever lived in. As your District 1 Temecula City Council representative, I will work hard to keep Temecula the beautiful, family value, family friendly community it is today.

My promise to you is that I will put my effort and time into keeping this city beautiful by fully funding and supporting:

First responders that keep our community and schools safe
Important social organizations that strive to keep our community free from homelessness
Infrastructure that allows our city to grow with less traffic congestion
Parks and recreation that fosters healthy family and community activity
Strictly enforce local adult entertainment zoning laws that ensure our city remains committed to family and community

Together with my wife of 17 years, we have raised our two daughters in Temecula and our family is better because of it. My character is a derivative of my Christian faith and I have 10 years of successful sales management experience with proven ability to use common sense solutions to solve issues. My character, professional experience, and love for the city is what will fuel me to help keep this city beautiful.

Lanae Turley-Trejo – Planning Commissioner

I love Temecula! As a city council member I promise to be a conservative voice for families. Our family has lived and worked in Temecula for 35 years. My husband and I raised our four sons in this extraordinary city.

I am currently your Planning Commissioner and have served for eight years. My experience has given me insight into how our dynamic city works and operates. I have volunteered for the city, schools, churches, and non-profit organizations in many leadership capacities over the last 30 years.

I will always make Family First decisions and fiercely support police and fire to keep our city one of the safest cities in the nation.

I believe in traditional education, smooth traffic flow, continuing support for our special needs families, and expanding higher education and job skills.

A safe community is a Family First community and is the bedrock of Temecula. If I'm elected, that will never change!

Temecula feels like home because it is home.

I humbly ask for your vote.

DISTRICT 3

Marvann Edwards – City Council Member

Temecula is a wonderful place to live, work, and play. That was true when our family moved here in 1988. It is true today and we must ensure it is true tomorrow. As your Council Member and past Mayor, I'm proud of our safe, beautiful, and vibrant community and our hard-working residents.

City government must evolve to ensure programs and services meet the changing needs of our growing community. Public safety remains my highest priority. I supported additional officers for community-oriented policing. Award-winning schools, great public amenities and our exceptional quality of life continue to attract new employers and high paying jobs. Partnering with the City, local colleges are expanding their programs to equip our next generation. I strongly support Temecula Valley Hospital's second expansion and French Valley Interchange's I-15 traffic relief. We must maintain Temecula's balanced budget and healthy emergency reserve. I will continue to plan wisely and spend responsibly with full transparency.

Temecula is a special place because of our caring residents. I share your pride in our beautiful city built on personal responsibility and entrepreneurship. I would be honored to represent you for another term on the City Council.

Brenden Kalfus - Firefighter / Paramedic

Husband. Father of five. 25-year Temecula resident. Firefighter. American. Patriot. Former police officer. Former professional baseball player.

I am running for city council to ensure your freedoms are upheld. Freedom to make your own medical decisions. Freedom to choose to keep your business open. Freedom to wear a mask or not. Freedom to choose what is best for your children. Freedoms protected in our Constitution.

I am here to represent Temecula's unique needs and values. I will push back against California politics and mandates.

I stand for equality. I believe in a fair system where you earn your way, and hard work is rewarded. I believe law enforcement should be appreciated and respected. Public safety is essential. Streets must be safe and maintained. Homes and businesses must be protected.

I am asking you to let me fight for you. To conservatively and responsibly manage your tax dollars; not raise your taxes. To fight for local issues; not Sacramento issues, or those of unelected bureaucrats.

Proudly supported by firefighters and police officers.
Proudly encouraged to run by America-loving citizens of Temecula.

I would be honored to earn your vote.

“Temecula's Candidate for Freedom”

Kathy Sizemore – City Commissioner / Businesswoman

Dear Neighbors,

I am running to represent you for Temecula City Council District 3. I am passionate about Temecula and want to see our city thrive.

It's my honor to serve the City of Temecula as a Community Services Commissioner and current Committee Chairperson, building community through people, parks, and programs. I regularly participate in Temecula City Council meetings. Pursuing the highest quality of life for our residents has been my priority.

I have a 23-year history of volunteering and community engagement:

Boy Scouts of America
FIRST Robotics

Community Bible Study
Professional Women Toastmasters
Temecula Rotary Club

I am a local business owner awarded 2021 Bronze Business of the Year and 2021 Ambassador of the Year by the Temecula Valley Chamber of Commerce. I will bring to city hall the same work ethic and dedication I have given to my business for 25 years.

My experience as a life safety and security professional will assist me in keeping Public Safety as our city's top priority.

Other Priorities:

Preserve our "small-town" feel
Protect our family-friendly community
Advocate for local businesses
Mitigate traffic and congestion
Attract new businesses and jobs
Transparent/Accessible leadership

I am a proven leader dedicated to building upon our city's past to create a vision for our future. I will always put our residents first. I kindly ask for your vote.

Kathy Sizemore

DISTRICT 5

Zak Schwank – Mayor Pro Tem

It has been a privilege to serve the residents of District 5 on the Temecula City Council for the past four years. As your Mayor Pro Tem this year, I have worked to improve our quality of life through:

Equipping police and fire personnel with the resources needed to support public safety
Balancing our budget and building deep reserves
Supporting local businesses and nonprofits
Creating new parks and enhancing existing ones
Maintaining streets and roads
Improving traffic flow
Allocating resources to Homeless Outreach
Providing consistent and stable leadership focused on Temecula families

My wife, Jennifer, and I have proudly called Temecula home for the last 21 years. Jennifer is a TVUSD teacher; our three children have attended TVUSD schools. I was honored to be presented with the Family First Award in 2017 for my dedication and commitment to Temecula

families. We realize Temecula is a great place to live. Its small-town feel and focus on family values keep us grounded in Temecula.

If re-elected, I will continue to prioritize public safety and improving traffic. I will work to address homelessness and continue investing in our parks, trails, and facilities. I hope to earn your vote once again on November 8th.

Bill Weston – Retired Insurance Adjuster

I have lived in Temecula since 2003. My wife and I met while serving in the US Navy. We have been married for 37 years and we have two grown children. I worked my way through college while working nights at Consolidated Freightways in Mira Loma. I received an associate degree from Mt. San Jacinto college in Menifee, and a bachelor's degree in Finance from Cal State San Bernardino. After receiving my degree, I moved up to Freight Management and then transitioned to Insurance where I worked as an Adjuster, Fraud Investigator and in Claims Management.

I am currently retired and not a politician. The last couple of years have exposed how the heavy hand of government, if not put in check, can degrade individual liberties. I believe in limited government and personal responsibility. I believe in maintaining local control of zoning where decisions are made, closer to the people.

City leaders have a responsibility to ensure equal opportunity exists, while recognizing outcomes will differ. I support fully funding public safety, strengthening parental rights and defending personal freedom.
