

Adaptive Swim Lessons Meet and Greet

Meet the instructor! Explore the lesson location!

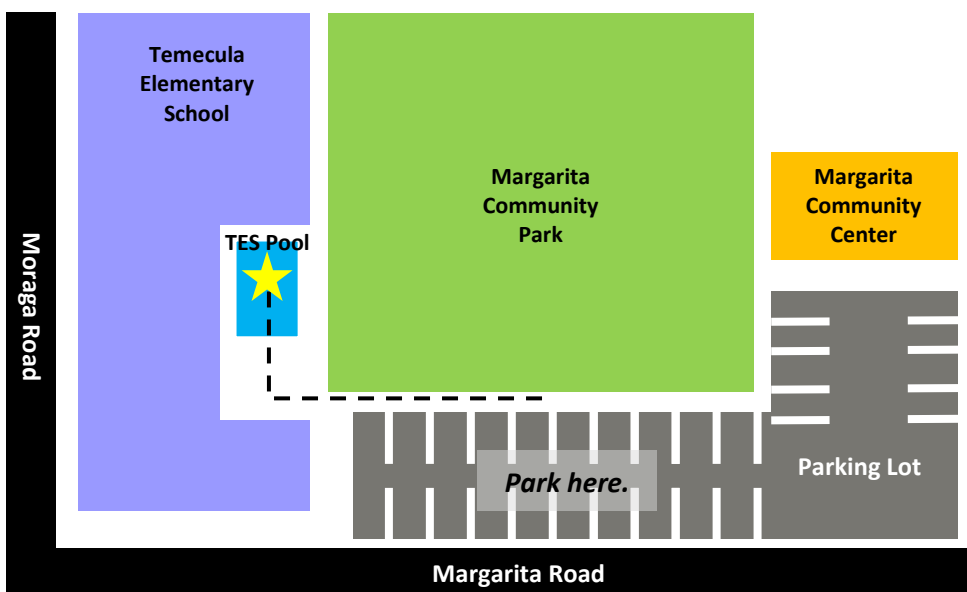

If you are interested in signing your son or daughter up for our Adaptive Lessons or already have this is for you! We would like to give both the parents and child the opportunity to see where our classes are held, meet our instructors and swim buddies, and learn more about our program. Students will also have the chance to get into the water for up to five minutes with one of our instructors so they can become familiar with what they will be doing. This is a great opportunity for your child to become more comfortable with lessons if your child is fearful of the water or needs adjustment time to a new place/schedule.
