New. Better. Best.

Menifee is the best choice for your growing healthcare business with over 180,000 sq ft of new medical space currently available. If you're looking for the perfect place to relocate- our vibrant, centrally located community along Interstate 215 is bustling with new housing, employment opportunities and amenities.

NEW infrastructure, **BETTER** educational choices, and the **BEST** housing options! We're community building, and we want **YOU** to be part of it!
