

How to PRINT a Business License Certificate online :

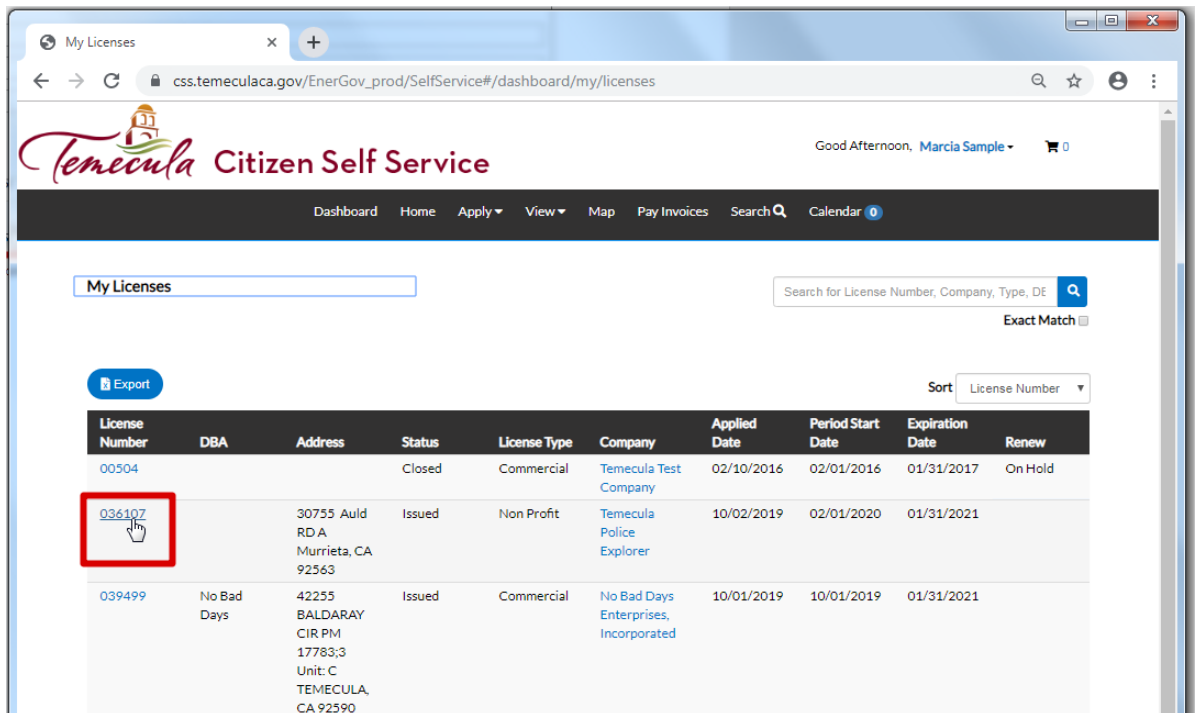

Step 1 – go to <https://css.temeculaca.gov> and Register for an online account or Login

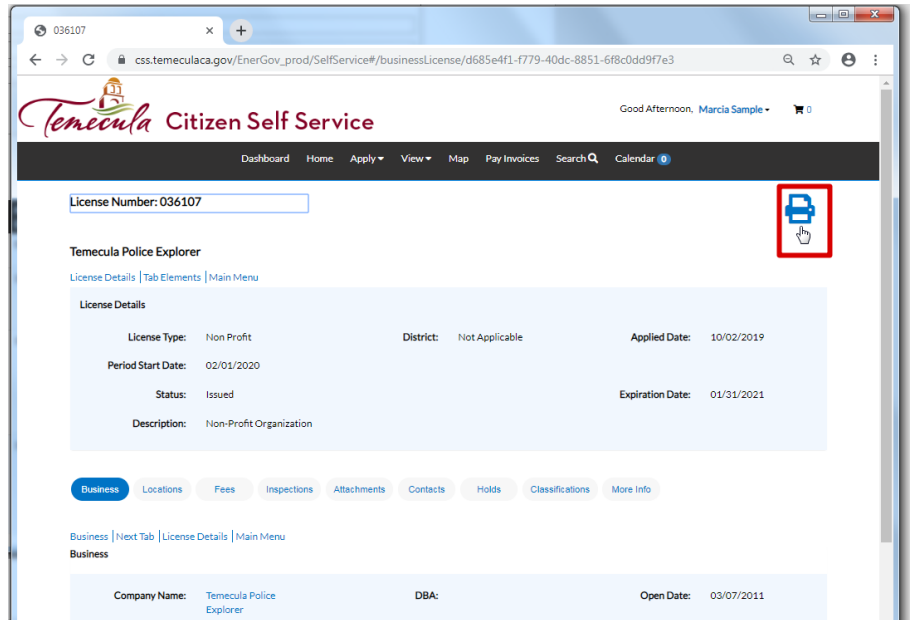

Step 2 – Click on **View** on the black menu bar > then select **My Licenses** under the **Licenses**

Step 3 – Click on the **License Number** of the license you wish to print

Step 4 – Click on the **Print** icon (**NOTE** : Make sure your browser Pop-up Blockers are disabled so the license will “pop up” in a separate window)

Step 5 – Review your License information and Click on the **Printer** button to print or save as a pdf
