

The ABCs of Water Safety

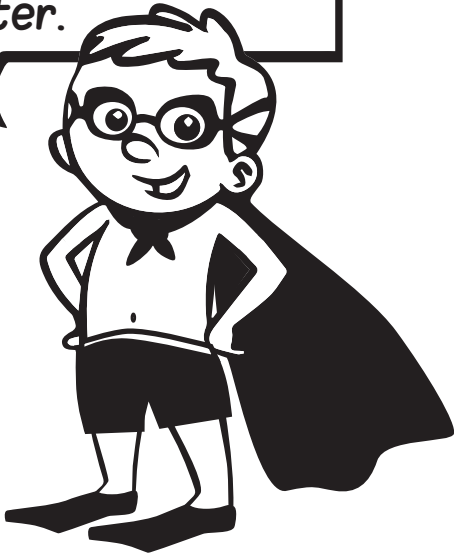

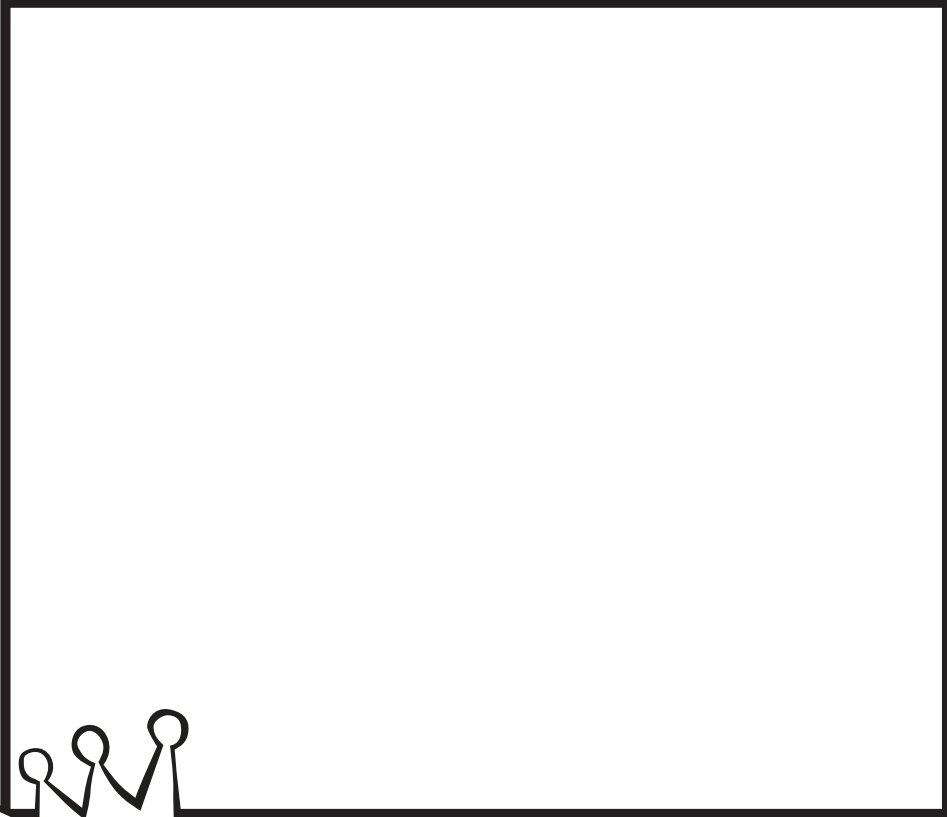

is for

ACTIVE ADULT SUPERVISION

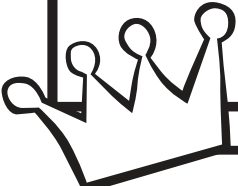

Always have an adult to watch you before you enter the water.

Think and talk about who can safely watch you in the water. Draw them below.

KID CONVO

Discuss with your child(ren) who is allowed to supervise them in the water? What should a Water Watcher be doing? Or not doing?

RULE YOUR WATER	Ask for permission before entering	Adults are within arms reach of any non-swimmer	A Water Watcher is always on duty during swim time
------------------------	------------------------------------	---	--

Family Water Rules

What rules does your family need?
