Ad Hoc Subcommittees are formed for a specific limited purpose and operate for a limited time until its purposes are fulfilled (“ad hoc”) as opposed to “standing committees” that have continuing subject matter jurisdiction. The descriptions of the purposes and duration of the ad hoc subcommittees are as follows:

Altair Property Ad Hoc Subcommittee – This subcommittee will provide staff direction on development options for the property located west of Pujol below the western escarpment. Development on this property would include the construction of the Western By-Pass Corridor and has potential for an “in town” residential neighborhood adjacent to Old Town. The term of this subcommittee is through the completion of the development and disposition of the property.

Community Service Funding Ad Hoc Subcommittee – This subcommittee reviews funding applications from various non-profit organizations requesting Community Service funding for the year. This subcommittee will meet in September/October 2020 and will make specific recommendations to the City Council for fiscal year 2020-2021 Community Service funding.

Diaz Property Ad Hoc Subcommittee – This subcommittee is responsible for evaluating and negotiating terms and conditions associated with the disposition and development of the Agency owned property located at the North West Corner of Diaz Road and Dendy Parkway. The term of this subcommittee is through the completion of the development or disposition of the property.

French Valley Parkway Interchange Ad Hoc Subcommittee – This subcommittee shall work with representatives from Caltrans, Federal Highways, and elected officials at the city, state, and federal levels. The term of this subcommittee is through the completion of the construction of the interchange project.

General Plan Update Ad Hoc Subcommittee – This subcommittee will provide direction and recommendations relating to the General Plan update project, which will kick-off with updating several supporting components including the Quality of Life Master Plan (QLMP), Housing Element, Circulation Element. The term of this subcommittee is through the adoption of a comprehensive General Plan Update.

Higher Education Ad Hoc Subcommittee – This subcommittee is responsible for attracting and facilitating the development of a higher education facility and programs in the City of Temecula, including the new higher education complex acquired by MSJC and expansion of CSUSM in the City. The subcommittee will report back to the City Council on its recommendations by December 2020.

Hospital Ad Hoc Subcommittee – This subcommittee will monitor and provide feedback on the implementation of the development plan for the existing Temecula Valley Hospital. It is anticipated that this subcommittee will need to continue through the implementation of the development plan.

Human Services Ad Hoc Subcommittee – This subcommittee will evaluate services and programs related to special needs, homelessness, senior citizens and mental health awareness to identify non-profit stakeholders to enhance and coordinate delivery of these services. This subcommittee will also review funding associated with these programs and services for Fiscal Year 2020-2021 and report back on its recommendations to the City Council by December 2020.

Infill Land Use and Project Review Ad Hoc Subcommittee – While this subcommittee will not be negotiating individual infill projects, the subcommittee will be working closely with staff to identify and consider potential infill sites in 2020, ensuring consistency with the City's General and Growth Management Plans and zoning designations.

Luxury Car Dealership Ad Hoc Subcommittee – This subcommittee is responsible for the attraction of luxury car dealerships to the City. Auto sales represent a large percentage of sales tax revenue to the City and the expansion and attraction of dealerships will preserve a revenue stream to maintain City services. The subcommittee will report back to the City Council on its recommendations by December 2020.

Margarita Recreation Center Ad Hoc Subcommittee – This subcommittee will work with staff to explore concepts for an intergenerational recreation and human services facility and provide input based upon community workshops and needs assessments during the design process. The term of this subcommittee is through the completion of the renovations at the Margarita Recreation Center.

Murrieta Creek Project Ad Hoc Subcommittee – This subcommittee will provide direction and recommendations that involve the Army Corps of Engineers Project that improves Murrieta Creek to provide added flood protection. The term of this subcommittee is through the completion of the Murrieta Creek Improvement Project.

Old Town Civic Center Ad Hoc Subcommittee – This subcommittee is responsible for evaluating and negotiating terms and conditions associated with the disposition and development of the Agency owned property located adjacent to the Town Square along Main Street in Old Town. The term of this subcommittee is through the completion of the adjacent properties.

Promenade in Temecula Ad Hoc Subcommittee - This subcommittee would provide direction and review of any potential development applications associated with the City's regional mall in 2020. This subcommittee will meet on an as-needed basis and will report back to the City Council with appropriate recommendations by December 2020.

Public Safety Ad Hoc Subcommittee – This subcommittee will work with staff to monitor the County's efforts to implement the KPMG law enforcement efficiency review, and evaluate and discuss the City's own public safety operations, efficiencies, and other items related to the joint powers authority conversation. This subcommittee will also provide direction on efforts to construct a public safety memorial as referenced in the existing CIP. The term of this subcommittee will be through the completion of the County's implementation of the review and completion of the construction of the public safety memorial.

Roripaugh Ranch (aka Sommers Bend) Ad Hoc Subcommittee – This subcommittee will monitor and report on the issues affecting the Community Facility District Bonds, and development issues affecting the Roripaugh Ranch Specific Plan and the development now known as Sommers Bend. The term of this subcommittee is through the build out of the Roripaugh Ranch Specific Plan.

Service Level Assessments Ad Hoc Subcommittee – This subcommittee will provide staff direction regarding landscape maintenance zones throughout the City, proposal(s) for new assessments, public outreach and recommendations to the full City Council. The term of this subcommittee will be through the completion of the Proposition 218 process through December 2020.

Short Term Vacation Rentals Ad Hoc Subcommittee – This subcommittee will provide staff direction on the development of regulations pertaining to the use and operation of short-term vacation rental businesses. The term of this subcommittee is through the completion of the adoption of a related ordinance.

Strategic Fiscal Planning Ad Hoc Subcommittee – This subcommittee will provide direction regarding fiscal policies and strategies related to new revenue streams and a new User Fee Study. The term of this subcommittee is through 2020.

Supportive Housing/Services Ad Hoc Subcommittee – This subcommittee will work with staff to identify and implement solutions to provide both housing and supportive services for families and individuals who meet the criteria of Extremely Low, Very Low and Low Income by evaluating affordable housing development opportunities utilizing remaining affordable housing bond proceeds. The subcommittee will make recommendations regarding the selected developments responding to the Request for Proposals for Affordable Housing issued in 2017. The term of this subcommittee is through the expenditure of the available Affordable Housing bond proceeds.

Trails and Open Space Ad Hoc Subcommittee – This subcommittee will provide direction and input on the efforts underway to enhance existing trails, complete trail connections, as well as consider additional possible trail ways for multi-purpose uses including equestrian, pedestrian, and cycling. This subcommittee also provides staff direction on potential annexations of areas within the City's Sphere of Influence and potential purchase of permanent open space property similar to property purchased along the escarpment west of the City limit which was purchased by the City and deeded to the RCA. It is anticipated that this subcommittee will need to continue through 2020.

TVE2 (Small Business Incubator) Ad Hoc Subcommittee –This subcommittee will evaluate policies and procedures related to incubator use and application selection. This subcommittee will also review applications from developing entrepreneurs for incubator use and selection in 2019 and make related recommendations to the City Council by December 2020.

Uptown Temecula Ad Hoc Subcommittee – City Council has given staff direction to analyze the redevelopment of Uptown Temecula, the City's first commercial district. This subcommittee will provide staff with direction as we analyze the potential for an urbanized extension of Old Town including increased commercial and corporate office opportunities as well as mixed use residential development and the initial implementation of the Uptown Temecula Specific Plan and the In-Lieu Road Fee. The term of this subcommittee is through the implementation of the Uptown Temecula Specific Plan.

Wall of Honor Ad Hoc Subcommittee – This subcommittee will work with staff to make recommendations regarding community members who have made significant contributions to the City of Temecula in 2020. This subcommittee is needed on an ongoing basis to potentially recognize outstanding citizens.

Winchester Hills Ad Hoc Subcommittee – This Subcommittee will work with staff and the property owner, to provide direction on potential land use proposals for this approximately 100-acre vacant property at the intersection of Date/Ynez Streets. The site will be bisected by the proposed French Valley Interchange project. The site is currently zoned for Service Commercial land uses. The property owner has indicated a desire to consider mixed-use development on the site which would necessitate an amendment to the Harveston Specific Plan and the Winchester Hills Development Agreement. The term of this subcommittee is through the disposition of the property.
